Dear Shawn:

On behalf of the Twins Community Fund Board of Directors, and the entire Minnesota Twins Baseball Club, I am pleased to inform you that Centerville Development Corporation has been awarded a 2011 Twins Fields for Kids matching grant of \$10,000. These grant funds are to be used specifically for the renovation project you described in your grant application.

Enclosed is a grant agreement contract for you to complete and return by October 3, 2011. Your grant check, paid in full, will be sent once we receive your completed grant agreement.

In order for us to deem your project complete, you must send us a progress report at 6 months (a form will be included with your grant check) and a final report, including details on how the Community Fund grant was used, receipts and photos of the finished work.

We encourage you to announce this grant to your local media. We also ask that you please send us any copies of local media coverage on this grant.

Congratulations on being selected for a Twins Fields for Kids grant! We appreciate all that you do for youth baseball/softball in your community and look forward to working with you during the duration of this project.

Sincerely,

Stephanie Johnson
